Meeting and Training Activity

We had our fire department Christmas party in December. And a short month of meetings due to the holidays. The fire department answered 131 calls for service in 2025 only a small decrease of calls from 2024, I would like to thank all of our firefighters and command staff for their commitment to excellence, service, their time and safety to the job they do for our department, residents and visitors of our township.

For more information about becoming a part of the Bear Lake Township Fire Department or information about the Bear Lake Township Firefighters Association please contact Fire Chief Mark Laskowski 231-384-5785 or Assistant Fire Chief Pat Bird 517-260-0165
We have fire meetings on the first three Wednesdays of the month at 7 pm at the fire station. We are always looking for more help for the fire department and firefighters' association. Thank you for your continued support!
