We had a major expense for Engine 2 which came to \$6,500. There were several issues with the worst one being cracked brakes.

We received a partial grant from the DNR, which is a 50-50 match for 8 sets of Tec Gen 51 turnout gear. This is light gear that is approved to wear on wildfires as well as vehicle extrication. The grant will pay \$3800 and we will pay \$3800.

MONTHLY RUN ACTIVITY
